Headline:
Wintry showers for tonight, drier with sunny spells on Wednesday.

This Evening and Tonight:
Wintry showers gradually become restricted to Cornwall and west Devon overnight, leaving the rest of the region dry with clear skies. Turning cold under the clear skies with a widespread frost. Windy but easing later. Minimum temperature -2 deg C (28 deg F).

Wednesday:
A frosty but sunny start for many on Wednesday, although cloud will tend to build at times throughout the day. Dry for most, but some showers possible in the west. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
Largely dry and cloudy Thursday and much of Friday, before rain moves east on Friday night. A mixture of sunny spells and light but frequent showers on Saturday. Remaining cold.
